Artist Alley

\$150 for a single table, you may be eligible for a free table please apply and in the comments state what you could contribute to the convention. A badge purchase is required for an artist table. You must tear down and setup each day as your table is an open hallway.

Vendor Table & Space Costs

A vendor table is in its own dedicated room, you can leave your space setup. Security is limited in the space but the doors to the room are locked at night, we recommend taking valuable items with you when you leave.

A single table is priced at \$200.

A 10x10 booth space is priced at \$500.

Discounts

- 1) If you reserve a hotel room, we'll give you \$100 credit toward a vendor table or artist alley table. Proof of reservation must be provided.
- 2) If you paid for a vendor table at a previous Wyrd Con you receive \$100 off the table cost.

Table Size

Tables are approx. 6 foot by 30 inches wide (unless stated in a layout diagram). Booth space is typically 10x10 in size. Unless mentioned, these are adjoining tables, not booths. A guaranteed corner location is offered on a first come first served basis and requires the purchase of at least two tables.

We strive to have at least 5'0" feet between the table and the wall.

Legal responsibility

Each exhibitor shall be solely responsible for possessing any and all required legal and tax paperwork. It is ultimately up to each exhibitor to protect their wares from theft and damage. We will endeavor to lock the room in the evening but the convention or hotel cannot assume liability for such matters.

Weapons and Illegal Wares

Any wares deemed illegal in the state of California are not permitted. Replica weapons (excluding foam boffer style) such as metal swords and knives must be discussed with the convention. The wearing of costume/non boffer weapons requires they be peace bonded at all times. Drawing such a weapon will result in expulsion from the convention.

Taxes and Fees

It is the vendor's responsibility to manage any taxes and fees required for them to sell at Wyrd Con.

Smoking

There is no smoking in any of the convention hotel rooms or facilities.

Food, Drink, and Entertainment

In an effort to increase traffic in the vendor room Wyrd Con may host food, and/or entertainment events in this space when possible. Please design your spaces accordingly.

Exhibit Hall Hours

The vendor room times will match the times of all other activities in the room (including registration, fighters circle, and others). This is designed to give the vendors as much exposure as possible, while still securing the facility.

Artists are not required to have specific hours, but we expect it to be staffed properly. Artists may choose any table they desire in the space each day (so first come first served!)
